Relationship Book

--- SAMPLE ---

Synastry: the dance of two charts

This short sample shows what the full Relationship Book looks like. Your purchased report is prepared personally from your and your partner's birth data.

Sample interpretation: a harmonious aspect between the Moon and Mars describes a bond where emotional needs meet natural courage. Partners energize each other; passion and tenderness share the same sentence. Your full report opens every planetary interaction like this, one by one.

In the full report: planetary interactions, harmony scores, relationship narrative, healing recipes and the city compass.
