Natal Book

--- SAMPLE ---

Your individual birth chart

This short sample shows what the full Natal Book looks like. Your purchased report is prepared personally from your birth data.

Sample interpretation: a strong placement of your Ascendant ruler gives a natural sense of direction in life. You know what you want and strategize around obstacles. Your full report opens houses, aspects and progressions one by one.

In the full report: house interpretations, aspect grid, progressions, Arabic parts and the potential map.

Your full report is prepared personally for you. Go Pro in the app or buy the single book.
